iPhone or iPad

1. Open the link in Safari.
2. Tap the Share button (a square with an arrow pointing up).
3. Choose Add to Home Screen.
4. If Open as Web App is shown, turn it on. Tap Add.
5. Open the FlipQube icon from your home screen.

Android phone or tablet

1. Open the link in Chrome.
2. Tap the three-dot menu.
3. Choose Install app or Add to Home screen, then confirm.
4. Open the FlipQube icon. If installation is unavailable, use the browser.

Sign in and get project access

Enter the email authorized by the project owner. Tap Send my code and enter the newest verification code from your email. Installation alone does not give access to private projects.

Sharing and the domain

You can text the installation link to a phone number. To grant project access, obtain the recipient's sign-in email. As of October 6, 2026, flipqube.com is still awaiting certificate validation. Use the working link above until the domain is ready.
